## Plenty Good Room Stewardship 2027

*I give you a new commandment that you love one another. Just as I have loved you, you also should love one another. By this everyone will know that you are my disciples, if you have love for one another. ~ John 13:34-35*

Dear Friends,

Jesus promises us, *"In my Father's house there are many dwelling places"* (John 14:2). We believe that means there is room for all of us in God's love, and that we are connected to one another as a church family.

This year's theme, **Plenty Good Room**, reminds us that stewardship is about more than our financial or in-kind gifts. It is also about the relationships we share - how we connect with God, with one another, and with our neighbors.

Our parish budget is one way we support and care for this community we love. Every pledge and gift makes a difference. It helps children grow in faith, provides meals and care for our neighbors, welcomes people through our doors, and gives people a place to find hope and connection. Our budget is really a reflection of who we are and what matters to us as we discovered through our parish survey.

In this season of stewardship, we are asking you to think about the people and relationships that have been meaningful to you here at Grae, and how your generosity can help make that same sense of welcome possible for others.

There really is **plenty good room in God's house**. We know everyone's circumstances are different. Wherever you are, whatever you are able to give matters and helps us meet our goal of everyone participating to help make room for others.
